- Watch The Daily News during the week of April 23 – we'll be offering a new Daily Deal!

### Extraordinary Log Cabins

**\$25**

*Saturday, April 7, 11:30-3:30*

Susie is thrilled to be offering two wonderful Log Cabin blocks and show you even more variations. You'll choose which project you want to take home – the rainbow-hued 3D-looking log cabins, or a fancy-cut log cabin. Just like a good hairstyle, it's all in the cut and color!

### Midnight Garden with Marilee

**\$35 includes kit\***

*Saturday, April 14, 11-2*

Create this stunning wall hanging or table topper in rich (and yummy) colors. Marilee will walk you through proper fabric placement and show you how to easily make the half square triangles that make up this impressive design.

### Farmer's Flowers with Nina

**\$25 includes kit\***

*Saturday, April 21, 11-2*

Nina's at it again with a simple but complicated-looking flower block! Made into a table runner or a small wall hanging/table topper, you can choose your own fabrics to make the perfect small project to keep or give as a gift!

### Coffee Cats in the Window

**\$20 includes fabrics**

*Saturday, April 28, 1-3*

We just couldn't resist playing with our new Coffee Cat Café fabric line. These hip felines are not your ordinary kitty print, and we've had a blast putting them into a traditional Attic Windows setting with a deceptively simple technique. Five fat quarters will make this 30" square small quilt. You're going to want to keep this one for yourself!

**Beautiful Bindings****\$20****Limit 4**

---

*Monday, April 23, 6:30-8:30*

Bindings. The (almost) last step in quilt making. Gone is the thrill of picking out fabrics, the excitement of cutting them apart and sewing them back together again. Gone is the terror of actually quilting your quilt. Join Tracy at the successful end of your project's journey from fabric to a finished quilt. Learn the cross-grain binding **math** (you'd expect no less from Tracy, would you?), and practice on a quilt sandwich to make successful mitered corners and finish off your bindings. You'll even get a demonstration of how to bind "funny" corners!

---

**Fabric Die Cutters Guild Kick-Off Meeting****\$5**

---

*Wednesday, April 18, 6-8*

Die cutters make cutting fabric quick and accurate. Join us in building a community to learn and share tips, tricks and techniques for getting the most from these wonderful inventions! Plans for the group include an optional Block of the Month, die demos & projects, service projects, show & tell and much more!

**Coming in MAY:**

---

**#16 Wonky Way****\$25**

---

*Saturday, May 12, 11-2*

Houses, cabins, beach cabanas, doghouses, outhouses – what buildings will you put into your Wonky Willage? Join Tracy for a fun and funky day building houses!

## ONGOING Classes and Events

- **First Saturday Sampler, "Parade of States".** 9-10 a.m. Each class will include your kit AND a recipe from the state of the month. *The sign-ups have closed for this class. Be sure to watch the progress as each month's blocks are displayed!*
- **Duck Hunt – Second Saturday of the month – 10 a.m. to 4 p.m.** Stop by any time during the day to "hunt" for your pieces. *The sign-ups have closed for this class. Be sure to watch the progress as each month's blocks are displayed!*
- **NEW! Fabric Die Cutters Guild – Third Wednesday of the month – 6-8 p.m.** - Meet each month to learn and share tips, tricks and techniques for getting the most from these wonderful inventions! Plans for the group include an optional Block of the Month, Die Demos & Projects, Service Projects, Show & Tell and much more!
- **3<sup>rd</sup> Saturday Garden Patch Cat Sampler – Third Saturday of the month - Stop by any time during the day to pick up your cat-kit.** This sampler class uses the adorable patterns from Helene Knott, designer of the Garden Patch Cat series. You may sign up at any time as we will be doing all 27 of Helene's patterns. They are the cat's meeeeeooooow!
- **Fourth Saturday Sampler – Rainbow Rows - 10:30 a.m.** Rainbow Rows, a 12-month project, will feature "mini-rows" instead of blocks. This adventure will include hand embroidery, precision piecing and appliqué – but not all at once! Each month you'll receive a new pattern and fabrics; plan to spend about a half hour getting the low-down on how to make your row successfully. Because Tracy **will** make all the mistakes first, she can point out any pitfalls and give you the tips you need!
- **Block Challenge – \$6.25 per block pack –** Every month a special "packet" of fabric is available for purchase to highlight a particular line. Create an original or traditional quilt block(s) with the fabric (unfinished size 12½"), and bring it in for a raffle-type drawing. Winner(s) will receive a mix of quilt blocks to put together in a quilt top or other project of their choosing. Number of blocks raffled will depend on number of blocks collected.

**...And remember, our Club Paisley classroom is always available for groups or drop-in sewing. Call to reserve your time now!**

## Paisley U

Even if you didn't start with the group at the beginning of the year, you can join us any time to brush up on your quilting skills. Just give a call to make sure there's enough room to play!
