NEW Third Saturday Sampler – It’s all in the technique! - 9 a.m.- This is a great place to start where you can complete one or two blocks per month and learn some new techniques like making a Celtic Knot and sewing Cathedral Window corners. **You'll have two color ways to choose from:** Blacks and whites with brights, or soft romantics.

Fourth Saturday Sampler – Rainbow Rows - 10:30 a.m. - Rainbow Rows, a 12-month project, will feature “mini-rows” instead of blocks. This adventure will include hand embroidery, precision piecing and appliqué – but not all at once! Each month you’ll receive a new pattern and fabrics; plan to spend about a half hour getting the low-down on how to make your row successfully. Because Tracy **will** make all the mistakes first, she can point out any pitfalls and give you the tips you need!

...And remember, our Club Paisley classroom is always available for groups or drop-in sewing. Call to reserve your time now!
